August 2018 Issue

Thank You from HK DRAGONS

We would like to take this opportunity at HK Dragons to say a big thank you to all of you for all your continued support and helping us to bring the residents of Lantau and HK a professional, exciting fun place to play football.

Team Spirit at HK Dragons FC

It's all for Charity!

New Park Balls, if you buy one ball at HK\$150 then one ball will be given to an underprivileged child for FREE.

REGISTRATION

For more information on how to register your child for the upcoming classes please visit: www.dragons.hk. Click on the 'registration and forms' tab and fill out the Online Application Form

Term 1 will commence on Monday 20th August 2018 in Discovery Bay, Pui O, Mui Wo. Stanley will start on Tuesday 4th September 2018.

New: We have now split the cost of Term 1 into two parts (2 x 8 weeks) as this will help our families coming back from expensive holidays.

Term 1: Monday 20th August to Friday 12th October 2018.

Term 2: Monday 22nd October to Friday 13th December 2018.

Again as in previous years, if you have previously had a child in our program during the last season's classes, you have a place reserved in our current program starting in August 2018.

For Moving classes example: If your child finished last season playing in the U8 (2010) age group, this season they will play in the U9 (2010) age group. If your child played eg: in the U11 (2007) Premiership class last season then they will attend the U12 (2007) Premiership class etc. If your child played in the U9 (2010) Championship class then they will attend the U10 (2010) Championship class etc.

In essence whichever session your child attended in Term 3 last season then they move up one year and attend the class and time as stated in the schedule which can be found on the website. All new senior players will start in the Championship classes and will be assessed once the tryouts are complete.

We aim to keep continuity with our age classes and at present we know throughout the club we have good balance in the lessons and in turn leads to good success and enjoyment. Whether you are an existing player or looking to join for the first time, our classes offer something for all abilities and all ages and all abilities.

Girls ONLY

1st September Girls U8 – 2011 to U10 -2009 at 3-4pm and U12 -2007 to 14 -2005 at Dbis 4-5pm

DISCOVERY BAY CLASSES

From the start of this season, we will be splitting the ages based on ability, in the U9 to U14 age groups. In essence we will be creating a 'Premiership environment' for our Elite players, in which players will have a more functional curriculum based around advanced team based technical work and tactics.

The 'Championship' level will be for players who need to focus on their own technical skills in a development curriculum. This will be tailored to improve an individual's technical and tactical skills, with the view to moving up to the Premiership level curriculum when they are ready.

The decision, of which players attend what level next season, will be the decision of the HK Dragons coaching staff. In order to place a player at the correct level, we will be using the previous performances and efforts of the players, and also the 'Player Evaluations' and 'Self Reflection' forms. Players will be informed of their class and session times once they have returned in August.

We are very much looking forward to the next season, and plans are firmly under way to make this season a great success. All the staff at Hong Kong Dragons would like to say a big thank you to you all for your help and support throughout the season. We look forward to working with you all once again next season.

We will be making decisions on which levels the players will be placed in once they have returned to us in August.

!! UPCOMING !!
